

M'ALOB K'IIN

Is our greeting from the Mayan Culture that means “Good day/Good sun”.

Presidente InterContinental® Cozumel Resort & Spa is located in an intimate natural paradise in front of the “Arrecifes de Cozumel” marine park, one of the world’s largest coral reef systems, over an extended white sand beach, Presidente InterContinental® Cozumel Resort & Spa offers a unique calmness, where culture and environment get together for an authentic experience. The resort offers first class accommodations in the Mexican Caribbean, keeping the tranquility and charm that has distinguished it throughout the years.

ACCOMMODATIONS

The Resort features 221 well-appointed guest rooms and suites, all thoughtfully designed to blend modern elements with classic Mexican accents. Guestrooms are equipped with a private terrace or balcony. Fully renovated Junior Suites, beautifully appointed offering spectacular views of the Caribbean Sea. Our beachfront rooms offer direct access to the beach and a private patio with an outdoor shower. Reef Suites and Presidential Suites are the perfect room category for those seeking to pamper themselves in an exclusive environment.
